

Women Human Rights Defenders International Coalition Membership Application Form

Thank you for your interest in joining the Women Human Rights Defenders International Coalition (WHRD-IC). We welcome organisations working with and for women human rights defenders (WHRDs), feminists, trans and non-binary defenders. We especially encourage membership applications from **regional** and **national** organisations working with and for women human rights defenders, as we are looking to strengthen their presence in the Coalition.

Please note that for the period 2026-2028, we are not accepting applications from individuals, International NGOs, nor funds and Global North organisations at this time. This is aligned with the priorities of our new [strategic framework](#) and our commitment to increase our membership among WHRD-led local, national, and regional organisations in the Global South.

Please complete the application form to submit your organisation's membership request to the WHRD-IC and upload the three required documents with your application:

1. Organisational profile
2. Endorsements from two of our existing members: <https://whrdic.org/about-us/our-members>

Please send your application package to whrdic@whrdic.org email address. Let us know if you have any difficulties in completing the form.

Applications for membership are reviewed quarterly by the Coalition's Membership and Feminist Politics Working Group who make a recommendation to the General Assembly for final decision-making. The General Assembly makes decisions on membership applications once a year based on our strategic framework and our membership policy and priorities for membership recruitment as agreed to by the Coalition in our annual work plan.
